

# Blueprint and C++ Integration in Unreal Engine 4

---

## PROJECT SETUP

**Rob Brooks**

FREELANCE PROGRAMMER

@strigifo [www.strigifo.co](http://www.strigifo.co)

No right way to do something

Many ways to achieve a goal

Combine Techniques to

- Improve workflow
- Broaden understanding
- Expand knowledge

# Summary

**Compared BP to C++**

**Covered the software / plugin**

**Included the Paper2D dependency**
